

KING'S HOME

Memorandum

To Whom It May Concern:

In compliance with Prison Rape Elimination Act standard 115.388, I have reviewed our data concerning sexual victimization for the calendar year 2023 and compared it to data from 2022. There were no allegations of sexual abuse or sexual harassment during either year.

King's Home will continue to provide our staff with Prison Rape Elimination Act training, and the administration will strive to ensure staff members are adequately supervising our students in order to provide the safest living environment possible.

Sincerely,

Robby Allen
